COMP-LETE™

Eco-Friendly, Yet Made Tough

**Fortune Plastics introduces their compostable/biodegradable bag!
Made with premium Mater-Bi™ material, COMP-LETE™ will
breakdown completely when properly placed in a compost facility.***

The COMP-LETE™ bag can be used for leaves/yard waste, and food waste.

**Our standard COMP-LETE™ Lawn/Leaf Bag size is 33x39".
However, custom sizes are available.**

**COMP-LETE™ has been certified by the Biodegradable Products Institute
and is guaranteed to biodegrade*.**

**For more information, please contact your local Fortune Plastics representative,
or visit www.fortuneplastics.com.**

*This plastic product meets ASTM #D6400, "Standard Specifications for Compostable Plastics", and is intended to be composted in a municipal or commercial facility operated in accordance with best composting management practices. Check to see if such a facility exists in your community.

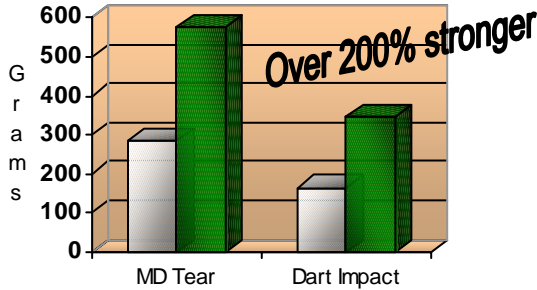

Survivor II Series™ Liners
